The Funding Agreement states that the composition of the Governing Body shall be as laid down in the Articles of Association, as follows:

- Up to 8 Governors, appointed by the members.
- Any staff Governors, so long as they do not, including the Principal, exceed one third of the total governors.
- A minimum of 2 Parent Governors.
- The Principal (ex-officio).
- Up to 3 Governors co-opted by the members of the Governing Body appointed by the members.
- (Any Additional Governors appointed by the Secretary of State if a warning notice has been issued to Governors for under-performance of pupils, a breakdown in the way the Academy is managed or governed, or the safety of pupils or staff is threatened).

At the moment, the Governing Body has 14 Governors plus the CEO, of whom we think 8 have been appointed by the members, and 3 co-opted by the Governors, plus one Staff Governor and two Parent Governors.
