# 1 Aims

1.1 The Energy Coast UTC is committed to safeguarding and promoting the welfare of all children. We recognise that children may face different forms of abuse and we work together to protect children from harm. As well as being abused by adults, children can be abused by other young people. This is known as 'peer on peer abuse' or 'child on child abuse'. The school is committed to preventing peer on peer abuse and will protect children that may be suffering, or at risk of suffering harm perpetrated by another child. We recognise that peer on peer abuse is abuse and should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up". We maintain an attitude of 'it could happen here' and act in the best interests of the child at all times.

# 2 Definitions

2.1 The following terms and associated definitions will be used throughout this policy.

- **'Staff' or 'members of staff'** refers to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of the school.
- **Child/children** refers to any young person under the age of 18.
- **Safeguarding and promoting the welfare of children** is defined as; protecting children from maltreatment; preventing impairment of children's mental and physical health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care and taking action to enable all children to have the best outcomes.
- **Peer on peer abuse (or child on child abuse)** refers to any scenario where a child under the age of 18 abuses another child under the age of 18. It can take place online or offline. The children involved do not have to be the same age and the perpetrator may be older or younger than the victim. Peer on peer abuse (or child on child abuse) could include (but is not limited to);
  - bullying (including cyberbullying);
  - physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
  - sexual violence, such as rape, assault by penetration and sexual assault;
  - sexual harassment, such as sexual comments, remarks, jokes and online sexual harassment, which may be stand-alone or part of a broader pattern of abuse;
  - upskirting, which typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm;
  - sexting (also known as youth produced sexual imagery);
  - initiation/hazing type violence and rituals;
  - abuse within intimate personal relationships and/or teenage relationship abuse.

## 3 Purpose

3.1 This policy has been written to

## 7 Training

7.1 The school will ensure that all staff have been trained to recognise and respond to peer on peer abuse. Including the following:

- Recognising how to identify signs of abuse, including that which involves radicalisation and when it is appropriate to make a referral;
- Undertaking appropriate Safeguarding/Child Protection training and PREVENT training, as recommended by the Cumbria LSCP, carried out at least every two years;

7.2 We recognise the gendered nature of peer on peer abuse. However, all staff will be trained to understand that all peer on peer abuse is unacceptable and will be taken seriously

## **8 Procedures to minimise peer on peer abuse**

8.1 The school have a responsibility to minimise opportunities for peer on peer abuse. We do this by

- Comprehensive staff training to ensure all staff are able to identify the indicators of peer on peer abuse.
- As part of student's induction to Energy Coast UTC, all students will be clearly informed of the zero tolerance stance on peer on peer abuse at the Energy Coast UTC.
- All allegations of peer on peer abuse will be recorded on SIMs and or CPOMs, investigated and dealt with according to the UTC behaviour policy.
- All staff will be trained to identify concerning behaviours and so that appropriate early intervention measure can be put in place, including parental meetings, student mentoring and or the implementation of an early help.
- It will be the Principal's responsibility to ensure that exclusions are not issued in the heat of the moment and only considered if there is an immediate threat to the safety of others in the school or the pupil concerned and take into account the risks to the student being excluded.

8.2 We recognise that some children may be more vulnerable to peer on peer abuse than others. For example, children who have already experienced abuse, those that have special educational needs or disabilities (SEND), children living in care and children who are LGBTQ+ and/or have other protected characteristics under the Equality Act 2010 may be more likely to face peer on peer abuse than other children.

8.3 We address peer on peer abuse through our curriculum, in line with [Relationships Education, Sex and Relationships Education and Health Education](#).

## **9 Responding to concerns or disclosures of peer on peer abuse**

9.1 The school takes peer on peer abuse seriously and will respond to all concerns or disclosures of peer on peer abuse immediately.

9.2 If a member of staff has a concern about peer on peer abuse, or if a child discloses peer on peer abuse to them, they will refer this to the Designated Safeguarding Lead immediately, in line with the school's Safeguarding and Child Protection policy.

9.3 Upon receiving a concern, report or disclosure of abuse, the Designated Safeguarding Lead will decide what further action is necessary. This will vary depending on the type of peer on peer abuse and the severity of the incident/s disclosed. The Designated Safeguarding Lead will take contextual factors into account when managing the report.

9.4 The Designated Safeguarding Lead will always consider the following;

- the wishes of the victim in terms of how they want to proceed. The victims will be given as much control as is reasonably possible over decisions regarding how any investigation will be progressed and any support that they will be offered;
- the nature of the alleged incident(s), including: the level of coercion or threat, whether a crime may have been committed and consideration of harmful sexual behaviour;
- both the chronological and developmental ages of the children involved;
- any power imbalance between the children, including consideration of the age of children and whether children have special educational needs or disabilities;
- the impact on the victim;
- if the alleged incident is a one-off or a sustained pattern of abuse; and
- if there are ongoing risks to the victim, other children, adult students or school or college staff.

9.5 Depending on the nature of the incident/s, the Designated Safeguarding Lead may

- Seek further information from those involved and witnesses.
- Undertake a risk assessment to ascertain steps necessary to safeguard the victim, alleged perpetrator, adults and other children.
- Decide to manage the concern internally.
- Organise a meeting with relevant staff and agencies to assess risk and agree a safety plan.
- Refer the victim and/or the perpetrator to local services for Early Help.
- Refer the case to Children's Services via a MASH referral.
- Liaise with social workers working with children involved (if applicable).
- Make a referral to the police.

## **9.6 Supporting the victim**

9.6.1 The school recognises that peer on peer abuse has a significant impact on young people and victims are likely to need ongoing support.

9.6.2 Appropriate support will be put in place for victims of peer on peer abuse whilst investigation is taking place and following the initial response. Support will continue for as long as it is needed and will be reviewed regularly to ensure the victim is receiving appropriate care.

9.6.3 The school will do everything we can to maintain the victim's normal routine.

9.6.4 The school will do everything we can to protect the victim from further bullying and harassment as a result of their disclosure.

- 9.6.5 If a victim of peer on peer abuse moves to a new setting, the Designated Safeguarding Lead will share the necessary information to ensure that support for the child continues.

## **9.7 Supporting the alleged perpetrator**

- 9.7.1 The school has a responsibility to ensure that an alleged perpetrator continues to receive a suitable education and will consider a range of options in continuing educational provision.
- 9.7.2 We recognise that children who perpetrate peer on peer abuse may be being abused themselves. The school will continue to safeguard the alleged perpetrator and provide them with support.
- 9.7.3 A plan to reduce the risk posed by the alleged perpetrator will be put in place as part of the risk assessment made following the alleged abuse.
- 9.7.4 If the alleged perpetrator moves to another setting, the Designated Safeguarding Lead will share information as necessary to safeguard the individual and other child at the new setting.
- 9.8 The Designated Safeguarding Lead will take advice from children's social care, specialist services and the police as necessary.
- 9.9 The school may choose to impose a sanction or punishment on the alleged perpetrator following an incident of peer on peer abuse. In this case, we will follow the school Behaviour Policy in determining the level and severity of sanction.
- 9.10 Where a child is cautioned or receives a conviction related to an incident of peer on peer abuse, the school will make appropriate arrangements for them to be able to continue their education with risk assessments implemented according to guidance from KCSIE 2021.

## **10 Local arrangements and making referrals**

- 10.1 The school adheres to local safeguarding arrangements, as outlined by the Cumbria Safeguarding Children Partnership.
- 10.2 For further details of how the school works with partner agencies in responding to safeguarding incidents (including incidents of peer on peer abuse), please see the **school's Safeguarding Policy**.

## **11 Record-keeping**

- 11.1 All staff will record any incidents or allegations of peer on peer abuse initially on the school SIMs behaviour system.

Further details can be recorded on the college student information form and submitted to the Head of Key Stage or the Assistant Principal (Pastoral).

A report of the frequency and types of peer on peer abuse will be included as part of regular reporting to governors.

As a result of any incidents of peer on peer abuse, any actions that require risk assessments to be implemented to ensure the student involved is able to access their education, the risk assessment will be implemented following the guidance of KCSIE 2021 and the view of all stakeholders.

11.2 Members of staff will follow the procedures for recording a disclosure outlined in the school's Safeguarding and Child Protection policy.

## **12 Parent/s and carer/s**

12.1 Parent/s and carer/s will be informed of incidents unless sharing information puts a child at greater risk of harm.

12.2 If the child wishes to withhold information from their parent/s or carer/s, competency will be assessed using the Gillick competency and Fraser guidelines (where applicable).

12.3 Children will always be encouraged to speak to parent/s or carer/s about peer on peer abuse.
