## Open Evening - Monday 15th May 6pm

Our final Open Evening of this academic year will be on Monday 15th May starting at 6pm. This is targeted towards our Y12 intake but any students interested in attending the UTC in Y10 in the near future are welcome to come along! If you know anyone who is interested in the UTC, spread the word! More info about our Open Evening can be found on our social media.

There are still places available for the December 2023 Belgium trip which is open to current Y10 students. A copy of this letter can be requested from [enquiries@energycoastutc.co.uk](mailto:enquiries@energycoastutc.co.uk)

There are still places available for the January 2024 New York trip which is open to current Y10 and 12 students. A copy of the letter can be requested from [enquiries@energycoastutc.co.uk](mailto:enquiries@energycoastutc.co.uk)

## Autism Awareness Assembly from previous student Ewan Beck

We recently welcomed former student Ewan Beck into the UTC to deliver an autism awareness assembly for our Key Stage 4 students. Ewan is a huge advocate for raising awareness of Autism, by sharing his experiences of education, and what it's like being a young person trying to forge a career in a competitive world with the challenges having autism brings. He is currently working as an IT/AV technician for Energus.

Thank you for coming in to share your story Ewan... we loved hearing about your amazing journey. We are also very proud of what you have achieved!

## Bedrock Vocabulary Star

Tommy Coulson is our Bedrock Star of the Month in English, making a whopping 1900% progress in his vocabulary knowledge! Tommy is currently learning words such as 'agregate', 'assiduous' and 'deferential' which will be invaluable to him when it comes to his GCSEs. Awesome work, Tommy! Keep it up!

## Staff spotlight - Tom Dunlop

Tom started at the UTC in 2021 as our IT Network Manager and is now the Operations Manager for the school. Tom coordinates all facilities, GDPR, IT, Health and Safety and much more for the school and brings a wealth of knowledge and expertise. Tom is always around to help students and staff, and is a friendly face to see around school.

## Student spotlight - Thomas Murdock

Thomas has been nominated this week for his courageousness in helping a woman who was struggling in Wasdale Lake. Thomas put into practice the skills he has learned with the CCF to safely help the woman back to shore. This is such an amazing act of bravery that helped save someone's life!

## SIXTH FORM OPTIONS

## Sixth Form Applications

A reminder for all Y11 students and parent/carers that Sixth Form applications should have been submitted by now if you are interested in a place at the UTC in Year 12. There are various pathways for students from A Levels, BTECs, T Levels and the Pathway to Apprenticeship route for those who need to re-sit their English or maths. Applications can be submitted via our [website](#), or you can speak to a member of the admissions team via [email](#).
