

CW/CA

18 January 2023

Dear Parent/Carer,

As we settle back in to the Spring term and navigate our way towards the summer exams and beyond, I thought it would be a good time to share some important information and remind you of our whole school expectations to ensure that all students can get the very best out of their last few months of KS4.

Year 11 can be both challenging and exciting in equal measure. Having completed their Christmas mock examinations, students should already be preparing for their summer exams. There will be the opportunity to order revision study guides from us in the coming weeks and all students should have already logged on to a very useful website called [getrevising.co.uk](http://getrevising.co.uk). This, if used effectively, will support them with revision as they progress towards their GCSEs. There will be numerous opportunities to attend intervention sessions in different subject areas - please encourage your child to attend if they are invited to do so. If you have any questions regarding any further support that you believe would be beneficial for your child, please don't hesitate to get in touch at [cherry.akred@energycoastutc.co.uk](mailto:cherry.akred@energycoastutc.co.uk).

Exams will be completed by the end of June and on Friday 30<sup>th</sup> June 2023 students will be invited to celebrate all of their hard work at the UTC Prom!

The event will be held at Hundith Hill and promises to be a fantastic evening. There are, of course, requirements to attend this event:

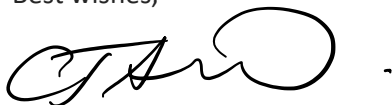

- All students must have at least **95 percent attendance** and **less than 20 demerit points**.
- If your child receives a fixed term exclusion in this time they will not be allowed to attend.

Attendance will be monitored and demerits tracked from Wednesday 18<sup>th</sup> January. We would love to see everyone there and hope that we can count on your continued support to ensure that your child has the opportunity to attend.

Further information regarding the event will be shared nearer the time. Our prom committee are working hard to raise funds to support the event and ensure it is a wonderful occasion where all students can celebrate; please support their efforts where you can.

I would like to take this opportunity to wish all students the very best of luck and remind them we are here to support them every step of the way.

Best wishes,

Mrs Akred  
Head of Year 11
