Dear Parents and Carers

Re: NEU Strike Action – Thursday 27 April and Tuesday 2 May

As you may already be aware, teachers in the National Education Union (NEU) have voted to take industrial action in the form of a strike on Thursday 27 April and Tuesday 2 May.

Taking all risk factors into consideration we have decided that it is in fact necessary to amend our teaching provision for some year groups due to the impact the strike will have upon the daily operational running of the school. We therefore plan to offer the following provision for students:

- **Thursday 27 April**

School will be closed for students in Year 10 and open for all students in Years 11, 12 and 13 from 8:30am-4:00pm

Students in Years 11, 12 and 13 will follow their normal timetable and learning provision up to 4:00pm.

Students in Year 10

Students should login to their Showbie accounts to complete work set online by their class teacher. If a student is taught by a teacher who is on strike, they will not receive work for the lesson that day. There are also many resources that students have access to from home which they could use to revise prior learning and make progress. For example, students could:

- Access the online packages that already support the curriculum such as Showbie, Kerboodle, focus e-learning, Seneca, Sparx, Bedrock, Accelerated Reader and OneNote
- Use BBC Bitesize to develop their knowledge in different subject areas and create a revision resource such as a knowledge organiser to revise prior learning:
<https://www.bbc.co.uk/bitesize>
- Engage with online lessons from Oak Academy linked to current learning in class:
<https://www.thenational.academy/>

- **Tuesday 2 May**

School will be open as normal for all year groups.

Transport

Hobans will be operating a normal service to Energy Coast UTC as usual on Thursday 27 April and Tuesday 2 May.

Free School Meals

For students in Year 11, Year 12 and Year 13 the canteen will be open as normal for all students during the day. Those students who receive free school meals will do so as usual.

For those students in Year 10 who are in receipt of free school meals and require a packed lunch for Thursday 27 April please email enquiries@energycoastutc.co.uk by 12:00pm on Tuesday 25 April and include any relevant dietary requirements that your child may have. We will arrange for these to be made up and ready for collection at the end of the day on Wednesday 26 April.

Hub

Energy Coast UTC will be open from 8:30am to 4:00pm to offer a supervised provision for students in Year 10 who are considered vulnerable, children of critical workers and those with an Educational Health Care Plan (EHCP) on Thursday 27 April. If your child needs to access this provision, please let us know by emailing enquiries@energycoastutc.co.uk by 12:00pm on Tuesday 25 April so that we can plan to staff the hub appropriately.

We appreciate that the decision to move to a partial school closure will cause a slight disruption to the learning provision for some of our students but are hopeful that the impact upon our students, particularly those with upcoming examinations, will be minimal.

Yours faithfully,

Kerryann Wilson
Acting Principal
