

Job Title: Teaching Assistant Apprentice x 2

Location: Cumbria

Salary: National Apprenticeship Wage

Start Date: As soon as possible

Contract Type: Fixed term, full time

We seek to appoint a full time Teaching Assistant apprentice. The main duties of the role include:

- Complementing the professional work of teachers by taking responsibility for learning activities, for individuals and groups, under an agreed system of supervision and guidance.
- Supporting the vocational achievement of students within our engineering workshops.
- Monitoring individual and/or directed students.
- Assessing, recording and reporting on individual student's achievement, progress and development.
- Monitoring and intervening in specific student's behaviour.
- Assisting with the timetabling of TA support in consultation with the SENDCo.

At Energy Coast UTC our intent is to deliver academic excellence alongside a world class technical and skills based practical education, ensuring our students also excel in employability skills and work directly with employers on a range of projects. Our 14-19 college, located on the edge of the Lake District National Park in an area of outstanding natural beauty, is a thriving educational setting which has nurtured partnerships between industry and education. We prepare students to meet the demand for highly skilled engineers and civil engineers in Cumbria and the world.

Our industry partners who work on a range of projects alongside our students include the Nuclear Decommissioning Authority, Sellafield Ltd, Morgan Sindall, the University of Cumbria, McMenon and the Royal Navy.

We take staff and student wellbeing seriously and have invested time and money in ensuring that all members of our school feel supported and happy. ***“Leaders are mindful of staff’s workload. Staff enjoy working at the school and appreciate the training available to them.” (Ofsted, 2023).***

As well as the opportunity to work at a recently awarded **Ofsted Good School**, we offer:

- Professional development support and an extensive CPD programme
- Early finish to the school timetable on Fridays
- A paid personal day off each year.
- Free use of onsite fitness suite, state of the art workshops and many other benefits.

How to Apply

For an informal discussion, to arrange a visit to look around the UTC or for an application pack please contact Cam Walker on 01900 606446 or by email – Cam.Walker@energycoastutc.co.uk.

The closing date for this post is **09:00am on Friday 12th April 2024**. Your completed application form and supporting information should be returned via email to the email address above and not directly to the school.
