

Job Title: Teacher of Engineering

Location: Cumbria

Salary: MPS/UPS

Start Date: September 2026

Contract Term: Permanent, full-time

Are you a Newly Qualified Teacher looking for your first teaching post or an established teacher looking for a new challenge? Our award-winning team seek to appoint an enthusiastic, committed and inspirational specialist **Teacher of Engineering**. The suitable candidate will have a good track record of excellent classroom practice and sustained experience in achieving positive outcomes and exceptional progress for students.

At Energy Coast UTC our intent is to deliver academic excellence alongside a world class technical and skills based practical education, ensuring our students also excel in employability skills and work directly with employers on a range of projects. Our 14-19 college, located on the edge of the Lake District National Park in an area of outstanding natural beauty, is a thriving educational setting which has nurtured partnerships between industry and education. We prepare students to meet the demand for highly skilled engineers and civil engineers in Cumbria and the world.

Our industry partners who work on a range of projects alongside our students include the Nuclear Decommissioning Authority, Sellafield Ltd, Morgan Sindall, the University of Cumbria, McMemon and the Royal Navy.

We take staff and student wellbeing seriously and have invested time and money in ensuring that all members of our school feel supported and happy. ***“Leaders are mindful of staff’s workload. Staff enjoy working at the school and appreciate the training available to them.” (Ofsted, 2023).***

As well as the opportunity to work at a recently awarded **Ofsted Good School**, we offer:

- Professional development support and an extensive CPD programme
- Early finish to the school timetable on Fridays
- A paid personal day off each year.
- A well-developed programme for ECTs and NQTs to fully support you in your first years of teaching
- Free use of onsite fitness suite, state of the art workshops and many other benefits.

If you believe that this is an environment where you can thrive, develop and substantially contribute to an exciting and expanding future with Energy Coast UTC then please visit our website for more information www.energycoastutc.co.uk.

How to Apply

For an informal discussion, to arrange a visit to look around the UTC or for an application pack please contact us on 01900 606446 or by email – enquiries@energycoastutc.co.uk

The closing date for this post is **9am on Monday 13th April 2026**. Your completed application form and supporting information should be returned via email to the email address above and not directly to the school.
